

6th April 2022

Dear Parent/Carer

With only a few weeks to go before the exams begin, the Easter break is an essential time for students to take advantage of the opportunities available to them.

Your son/daughter should plan the time carefully and attend the revision sessions that have been planned for them. If the time is used wisely then your son/daughter will begin the exam season with confidence and their performance will be so much better. The two weeks have meticulously planned and staff are giving up their own time to make sure the students get the best chance they can. **We need your support in ensuring that attendance is good.** To not make use of this opportunity would be a huge mistake. Can I also ask that you help your son/daughter fill in the blank revision grid so that they can plan their two weeks. It is important to have a rest and plan some family and relaxation time but we cannot emphasise enough how crucial it is to make these next two weeks work.

In addition, this Friday is a training day for Studio West. We have decided to make the day a focus for Year 11. Your son/daughter will attend school, no business dress is necessary, at 10.30 am and finish at 2.30 pm. They will begin the day by having breakfast (full English plus continental selection) with staff. They will be shown some valuable techniques for revision and studying and have a 1:1 coaching session with staff. Finally, they will have the opportunity to write their CV using a template which they will print and store a digital copy which will be added to as they develop skills, qualifications and experience.

Please see the Easter timetable overleaf. We continue to work hard for our students, and we really need your support in ensuring attendance. Thanking you in advance.

Yours faithfully

Mrs V Wigham
Principal
