

# Admissions Policy 2024/2025

## What Kind of School is Studio West?

Studio West will equip students joining at Year 7 with the business and enterprise skills for the challenges of the 21st century. Students will work on real-life projects created in collaboration with the companies in the Enterprise Centre on the campus and with businesses across the region. Every student will have a learning coach and timetables much more like a work environment. Students will work like engineers, scientists and artists through solving problems.

Studio West will provide an academic curriculum based around a general core of GCSEs including English, Mathematics and Science at KS4 and Project Based Learning. We expect and aim to ensure that all students will progress to university, an apprenticeship or a job. Studio West will be a small school, with students who will be very well known and supported by staff and we will be able to provide high quality teaching in a wide range of subjects through to Key Stage 5 because of our links with Kenton School.

### How places will be allocated

Where fewer applications than the published admission number(s) are received, Studio West will offer places to all those who have applied.

### Special Educational Needs

Children who have an Education, Health and Care Plan which names the school will be admitted to the school before all other applicants.

## Oversubscription Criteria for Studio West

Where there are more applications for admission than places available, the following oversubscription criteria will be used in the order shown to decide which students will be allocated places.

1. Looked after Children in the care of a local authority or children that were looked after by the local authority and immediately after that became subject to an adoption, residence (child arrangements) or special guardianship order. This includes those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of been adopted. Evidence of the appropriate order must be submitted before the closing date for applications.
2. Children who have a brother or sister (a sibling) who will be on roll at the school on the date that the child will be admitted in September 2024. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent or carer's partner, as long as the children live at the same address. Sixth form students are eligible as sibling links.
3. Children living nearest to the school as measured in a straight line distance from a fixed central point at the school to a point in the centre of the home address of the child, using the Local Land and Property Gazetteer and British National Grid Easting and Northing co-ordinates.

### Tie break

In the event that more than one child has an equal right to an available place, the school will use random allocation as a tie-break.

## Additional notes

- Parents/carers have two weeks to respond to an offer of a school place. If an acceptance is not received it may be assumed that a place is no longer required and the offer may be withdrawn.
- Parents who share responsibility for the care of their child are expected to reach agreement to a school placement between them. In the event of a dispute the school will accept the application from the parent to whom the child benefit is paid.
- When stating your choice of school, you must give the child's permanent address at the time of application. The address of childminders or other family members who may share in the care of your child must not be quoted as the home address.
- If the child lives part of the week between two parents, the child's address should be the address where the child lives (1) during the school week, or (2) with the parent who receives child benefit or where the child is registered with a GAP, if there is any dispute.

## Waiting Lists

Where in any year Studio West receives more applications for places than there are places available, a waiting list will operate until 31 December of the same year. The waiting list will be maintained by Studio West and it will be open to any parent to ask for their child's name to be placed on the waiting list, following an unsuccessful application. Position on the waiting list and allocation of places will be determined solely in accordance with the oversubscription criteria outlined above. When a place becomes available, the name at the top of the list will be automatically contacted.
