STUDIO WEST LEARNING JOURNEY – HISTORY

<p>Year 9</p>	<p>Changing Regimes: Russia c1900 – c1953 A study of the Russian Revolution and its consequences for the people of Russia and the international community</p>	<p>From Democracy to Nazism: The Rise of the Nazi Regime A study focusing on Germany’s recovery from war, the challenges of the 1920s and the rise of fascism.</p>	<p>The Holocaust A study of the Nazi Holocaust of the Jewish people, with a focus on responsibility.</p>	<p>International Conflict: Word War Two A study examining the key events of World War Two and its impact on the lives of those involved</p>	<p>Civil Rights in the 20th Century: The Struggle for Black Liberation A study of inequality in the USA during the 20th Century and the individuals and groups who fought for the expansion of Civil Rights.</p>
<p>Year 10</p>	<p>Option BA Conflict and tension: The First World War, 1894–1918 This wider world depth study enables students to understand the complex and diverse interests of the Great Powers and other states. It focuses on the causes, nature and conclusion of the First World War and seeks to show how and why conflict occurred, and why it proved difficult to bring the war to a conclusion. This study also considers the role of key individuals and groups in shaping change and how they were affected by and influenced international relations.</p>	<p>Option AD America, 1920–1973: Opportunity and inequality This period study focuses on the development of the USA during a turbulent half century of change. It was a period of opportunity and inequality – when some Americans lived the 'American Dream' whilst others grappled with the nightmare of poverty, discrimination and prejudice. Students will study the political, economic, social and cultural aspects of these two developments and the role ideas played in bringing about change. They will also look at the role of key individuals and groups in shaping change and the impact the developments had on them.</p>	<p>Option AA Britain: Health and the people: c1000 to the present day This thematic study will enable students to gain an understanding of how medicine and public health developed in Britain over a long period of time. It considers the causes, scale, nature and consequences of developments, their impact on British society and how they were related to the key features and characteristics of the periods during which they took place.</p>		

STUDIO WEST LEARNING JOURNEY – HISTORY

<p>Year 11</p>	<p>Option AA Britain: Health and the people: c1000 to the present day</p> <p>This thematic study will enable students to gain an understanding of how medicine and public health developed in Britain over a long period of time. It considers the causes, scale, nature and consequences of developments, their impact on British society and how they were related to the key features and characteristics of the periods during which they took place.</p> <p>Students will have the opportunity to see how some ideas and events in the wider world affected Britain and will promote the idea that key themes did not develop in isolation.</p>	<p>BA Norman England, c1066–c1100</p> <p>This option allows students to study the major aspects of Norman rule, considered from economic, religious, political, social and cultural standpoints of this period and arising contemporary and historical controversies.</p> <p>Students will also be examined on a specific site in depth. The site will relate to the content of the rest of this depth study. It is intended that the study will enrich students' understanding of Norman England.</p>	<p>Revision and Exams</p>
