Dear Parent/Carer

Expectations in Practical Subjects - PE, Design Technology and Food Technology

A reminder of our lesson expectations for PE, Design and Food Technology so that we can ensure a swift, safe start to learning.

PE

In PE we expect that students are active and engage with all lessons, unless they are injured / unwell when a note is required to excuse them from the lesson.

To ensure that students are safe and hygienic we expect the following:

- Students must wear our PE Kit or borrow a kit from school.
Our PE Kit consists of:
 - School PE Polo Top
 - Navy / black tracksuit bottoms / leggings/ shorts
 - Navy / black hoody/ plain jumper
 - Trainers
- All jewellery must be removed and long hair tied back.
- Students must change from their school footwear into trainers. Trainers can be borrowed from school.

Design Technology and Food Technology / Hospitality

In all practical lessons it is expected that students demonstrate the required Health, Safety and Hygiene Practices involved when working with Food and/or other materials.

- Students must wear an apron (knee length), which is provided by school
- All jewellery and watches must be removed from wrists and hands.
- Long hair should be tied back
- When required students are expected to wear/ make use of appropriate PPE for example goggles, oven gloves.

Thankyou for your continued support.

If you have any queries or questions please do not hesitate to contact us.

Yours faithfully

S Latty
